Crust

2 1/2 to 3 cups of Flour
1 package active dry yeast
1 teaspoon salt
1 cup warm water
2 tablespoons cooking oil

In **Mix-N-Stor** combine 1 1/4 cups of flour, yeast and salt. Stir in warm water and oil. Beat at low speed for 1/2 minutes then beat on high for 3 minutes. Stir in flour with **Silicone Saucy Spatula**. On lightly floured **Silicone Wonder Mat**, knead in flour to make it moderately stiff - will be smooth and elastic. Bake on **Silicone Wonder Mat**, remove before serving.

For Thin Crust:

Cover dough & let sit 10 minutes. Bake at 425 degrees for 12 minutes. Add Simple Pizza Sauce and desired toppings & bake 10 - 15 minutes more.

For Pan Crust:

Return dough to Mix-N-Stor - seal & let rise in a warm place until double in size (about 1 hour). Punch down and divide in half - let sit 10 minutes. Place in pan & cover let rise until double in size (30-45 minutes). Bake at 275 degrees for 20 - 25 minutes. Add Simple Pizza sauce and desired toppings & bake 20 -25 more minutes.

Simple Pizza Sauce

1 - 6 oz can tomato paste
1 tablespoon Chef Series Italian Herb Seasoning
1 teaspoon granulated sugar
2 Tablespoons water

In **Rock 'N Serve** add all ingredients, mix with **Saucy Silicone Spatula** until all are combined. Spread with **Saucy Silicone Spatula** on pizza crust and add desired toppings and cheeses. Follow pizza crust directions for baking.

I usually do thin crust at parties and pan crust at home.

OPENING ACTIVITY FOR PIZZA PARTIES

What Pizza Topping best describes you and why?

DATING SCRIPT FOR PIZZA PARTIES

Hi _____. This is _____ with Tupperware. I'll only take a moment of your time. I have something exciting to share with you.

How many people do you know that like pizza? (Wait for a response.)

I can show you how to make a pizza in under 15 minutes without heating up your kitchen with oven. How does that sound?

Would a weekday or a weekend be better for you and your pizza loving friends to get together for this fun demonstration?

Would morning or evening be better for you?

I have _____ or _____ open. Which would be better for you?

(Go over refreshment list.)

DATING GAME FOR PIZZA PARTIES

Make a pizza crust from cardboard, foam, paper plate, etc.

Use red felt or paper for the sauce

Use yarn or fake grass for the cheese

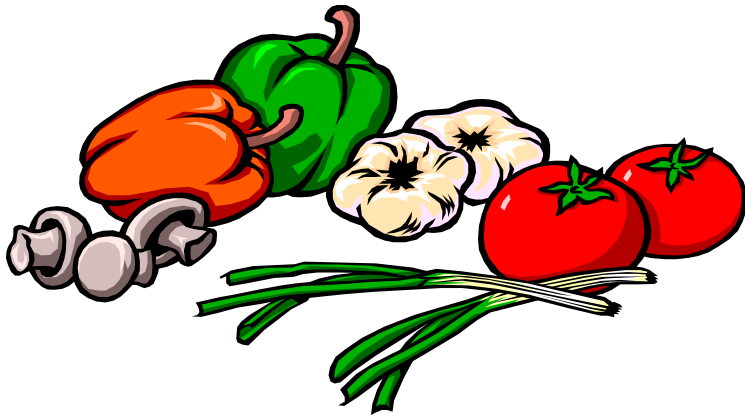

Use round circles for pepperoni

Write on the back side of the pepperoni

1. You win a pizza party! What date works for you?
2. You win a piece of Tupperware. (Give a small piece like one snack cup, one tumbler, etc.)
3. You win a small gift! Pick again. (Give a tiny treasure gift)
4. You win "FREE" Shipping at the next party.

Use 5 date a party, 1 piece of Tupperware, 3 small gifts, 1 free shipping – if you use more "pepperoni" add more small gifts and parties – always heavy on "You win a party."

Carry your game in the FreezeSmart 12" Round Container or a new Pizza box from your favorite Pizza Place.
