 And Lawns to mow;
 No time for a party
 Right now and so...

 To enjoy at your leisure

Instead of with me.

And while you are sipping, think
 What could I get
 To make my life easier
 Tupperware, I'll bet!

Then pick up the phone
 Place your order with me
 And receive special prices
 Just by sipping your tea.

As you sip and shop..
 You may begin to see
 A party is the best way
 to get yours FREE!

Even better is a business that
 Lets Freedom Reign
 To ease your burdens and
 Make Control your gain
 Call me ASAP and facts you'll get
 Check out Tupperware
 Your needs will be met.
